Dear Bobbie

Testimonial for Assessing Energy

I wanted to thank you in writing for all the work that your company has done for my firm over the past few weeks providing Energy Performance Certificates for a number of clients selling properties.

Whilst Aaron & Partners have been using Assessing Energy for some time, I have only recently begun using your services and wanted to let you know how pleased I have been with the manner in which you conduct your business.

The Energy Performance Certificates that you have produced have been of high quality and are always produced within an impressively quick timeframe. Overall the service from Assessing Energy has been a breath of fresh air and I will continue to use your services and recommend you whenever I am able.

Kind regards

James Wallace
