Dear Bobby,

Following on from the recent energy assessments carried out by you and your company I would just like to thank you for the work undertaken.

Your thorough, professional approach to the assessment procedure has been noted by some of our customers highlighting the quality of your service.

We as a business need quick turnaround of the assessments and more than often we actually receive the results from you on the same day.

Many thanks for your services so far and we look forward to continuing to work with you in the future.

Yours Sincerely

Richard Lewin
