Testimonial for Bobby Wilson – ASSESSING ENERGY

To Bobby

I would like to take this opportunity to give your business a testimonial following some Energy Performance Certificates you did for me on 2 of my properties.

All I had to do was give you the addresses and tenant contact numbers and you did the rest.

Your response was quick and without fuss, you contacted the tenant direct to arrange access and carried out the assessment.

The reports were with me no more than 24 hours later.

I am pleased to say that I would have no hesitation in recommending you and your business to clients, friends and family in the future.

Thank you again for a job well done with the minimum of fuss.

Kind Regards

Rose Power
